\$3,600 Guarantee Program

Are you ready to find success? Here's how it works!

1. Make sure you are a Qualified Rep by having at least 50 Personal BV every month. (You can do this with sales to non-Associate/Reps or your personal purchases count, too.)
2. Upon joining our Guarantee Program, you'll select a keyword that is specific to you. It could be your name or a nickname. Then, all you have to do is get 20 qualified leads every month to opt in to your Guarantee Program campaign.
3. When they text your keyword to 58203, they'll receive five messages over five days requesting their name and email address. (We'll lay the groundwork, and all you have to do is follow-up with them about YTB.) Once they provide their name and email, you have a qualified lead counting toward your guarantee program and a prospect who is interested in joining your team. Amazing!

That's it! As long as you have 20 Qualified Leads every month (meaning 20 people who have opted in with their name and email address), you're well on your way to earning at least \$3,600. And the best part? You can take part in our Guarantee Program with a subscription to Coach's Way, which is only \$50 a month and something we know you're going to really enjoy. There you'll learn about how to be successful not only in our business but also in life. (And, with Coach's Way get three and yours is free... You could guarantee your income for absolutely free!) When three of your personally sponsored Reps subscribe to Coach's Way, you're not paying for your program.

Additional Things to Know:

And, don't worry if you don't quite make 20 Qualified Leads for a particular month. Our Guarantee program is anything but rigid. Here's a few things to know as you continue to work your business.

1. You can carry a maximum of 10 prospects over to the next month until they qualify. So, let's say one month you have 30 Qualified Leads. You'd receive credit for 20 in that particular month, and you'd only need 10 Qualified Leads the next month with 10 rolling over.
2. In any month where you have 19 Qualified Leads or less, they will carry over to the next month where you'll need the difference from 20 to count that month as a Qualified Month.
3. While many of you will finish this program in one year, it's ok if you don't. We'll give you a full 24 months to have 12 months with 20 Qualified Leads.
